School Admissions

The Lowell School District is committed to providing an educational program for all students living in the District. The Board believes all students ages 5 through 18, or special education students up to age 21, living in the District who have not completed twelve years of education should attend school regularly and be included in the available educational programs.

State law required students to be age six on or before September 1 to enter first grade; and age five on or before September 1 to enter kindergarten.

All new students must register in the office. Registration requirements include proof of the student's birthdate (a birth certificate, a hospital record, or a baptismal record) and immunization records as required by law. Students admitted to any grade must show evidence of completing the prior school years.

Students enrolled in the District shall comply with Oregon laws related to age, residence, health and immunization.

Students located in the District shall not be excluded from admission solely because the student does not have a fixed place of residence or solely because the student is not under the supervision of a parent.
