

Public Gifts to the Schools

All gifts to the schools will become the property of the District.

The superintendent is authorized to accept gifts to the District, and others whom he/she may designate will be authorized to accept gifts for particular schools on behalf of the Board. The donor will be officially thanked in the Board's name and all major gifts will be reported to the Board and publicly announced (unless the donor requests anonymity).

In instances where the superintendent or designee doubts the appropriateness or usefulness of an offered gift, the gift may be declined or the matter may be referred to the Board.

The Board welcomes gifts of books and other materials to school libraries and classrooms provided that they meet the same standards of selection as those applied to the purchase of library and classroom materials.
