

Public Complaints

Complaints will be handled and resolved as close to their origin as possible.

Although no member of the community will be denied the right to petition the Board for redress of a grievance, the complaints will be referred back through the proper administrative channels for solution before investigation or action by the Board. Exceptions are complaints that concern Board actions or Board operations.

The Board advises the public that the proper channeling of complaints involving instruction, discipline or learning materials is as follows:

1. Teacher;
2. Building principal;
3. Superintendent;
4. Board.

Any complaint about district personnel will be investigated by the administration before consideration and action by the Board.

While speakers may during public meetings offer objective criticism of school operations and programs, the Board will not hear personal complaints concerning district personnel nor against any person connected with the school system. To do so could expose the Board to a charge of being party to slander and would prejudice any necessity to act as the final review of administrative recommendations regarding the matter. The Board chairman will direct the patron to the appropriate means for Board consideration and disposition of legitimate complaints involving individuals.
