

Special Education - Free Appropriate Public Education (FAPE)

The district will provide each student with disabilities with special education and related services which:

- § Are provided at public expense, under public supervision and direction, regardless of the nature or severity of the student's disability, and without charge to the parent;
- § Include the variety of education programs and services available to nondisabled students, including art, music, industrial arts, consumer and homemaking education, vocational education and physical education;
- § Provide an equal opportunity for participation in nonacademic and extracurricular services.

END OF POLICY
